Miss Ella M. Sauer
Washington Heights Branch
New York Public Library
1000 St. Nicholas Avenue
New York, N. Y.

Dear Miss Sauer:

You were very kind to trouble about sending me the books and I appreciate your note. Thank you very much indeed. Perhaps I may be able to dig some facts out of the South American book, but I was merely being literal in my statement that the prospect of success in doing this hardly warranted taking the trouble of making out an application for another card.

Very truly yours,

SN:JG

Secretary
